

Climate Resilience Networking Lunch

Network Lunch with Leaders in Health Care Climate Resilience

Monday, May 7, 2018 | 11:00 a.m. - 12:45 p.m.

Sheraton San Diego Hotel & Marina, Grande Ballroom A

Enjoy a networking lunch with leaders in health care climate resilience. Presenters from CleanMed conference sessions on all aspects of resilience, from hospital infrastructure to emergency preparedness to community projects, will give 3-minute descriptions of their upcoming sessions, expertise and most exciting work, and then you get to eat and network with them and like-minded conference attendees. Bring or find a group and use this to advance climate preparations in your health system and region. Presenters from the following CleanMed session will be in attendance at the lunch:

- **(A-1) Hospital Preparedness in a Changing Climate: Lessons from Extreme Weather Events** with Lance Mendiola of CHRISTUS Health
- **(A-5) Resiliency Through Cogeneration and Microgrids** with John Andersen of Greenleaf Advisors
- **(B-6) Low Energy to Net Zero: The New Normal** with Breeze Glazer of Perkins+Will
- **(C-4) Safe Haven in the Storm: Protecting Lives and Margins with Climate-Smart Health Care** with Natalie Tear of PricewaterhouseCoopers Advisory Services LLC
- **(C-5) Teaming Up for Impact: Aggregating Demand to Shape Large, Customer-Facing Renewable Energy Deals** with Gary Farha of Customer First Renewables
- **(E-4) Climate Change and Emergency Medicine** with Dr. Jay Lemery of University of Colorado School of Medicine
- **(F-2) Equity and Food Systems: Opportunities for Health Care Through Purchasing, Programs and Investments** with Lucia Sayre of Health Care Without Harm

Plus Health Care Without Harm and Practice Greenhealth climate leaders including Robin Guenther, Paul Lipke, Iqbal Mian, Bill Ravanese, Lauren Koch and Jessica Wolff

CleanMed is the premier conference for those on the leading edge of greening the health care sector.

Presented each year by Practice Greenhealth and Health Care Without Harm, CleanMed is the premier global conference for leaders in health care sustainability, fueling the movement for greener health care and inspiring new ideas and means to success. CleanMed's mission is to accelerate the health care sector's commitment to environmental sustainability and regenerative health, thereby improving the health of people and the environment.

Be sure to select the Climate Resilience Networking Lunch when registering for CleanMed.

LUNCH COST: \$49

Climate, Energy and Green Design Sessions at CleanMed 2018

Climate Sessions

(A-1) Hospital Preparedness in a Changing Climate: Lessons from Extreme Weather Events

Robin Guenther, FAIA, LEED AP, Sustainable Healthcare Design Leader, Perkins + Will and Senior Advisor to Health Care Without Harm | **Lance H. Mendiola, CHSP, CHFM**, Vice President, Facilities Management and Construction, CHRISTUS Health

(A-4) Demystifying Greenhouse Gas Tracking and Goal-setting in Health Care

Jonas Age Saide Schwartzman, Environmental Engineer, SPDM Affiliated Institutions | **Jon Utech, LEED-AP**, Senior Director of the Office for a Healthy Environment, Cleveland Clinic | **Michael Waller, PhD**, Director of Sustainability, Rochester Regional Health

(A-10) Climate Change is a Nursing Issue: How Engaging Nurses Can Help Meet Your Organization's Climate Goals

Katie Huffing, Executive Director, Alliance of Nurses for Healthy Environment | **Cara Cook, RN, AHN-BC**, Climate Change Program Coordinator, Alliance of Nurses for Healthy Environment | **Beth Schenk, PhD, MHI, RN-BC**, Nurse Scientist/Sustainability Coordinator, Providence-WSU | **Shanda Demorest, DNP, RN-BC, PHN**, Clinical Assistant Professor, University of Minnesota School of Nursing

(B-4) Become a Clinician Climate Advocate - Use Your Trusted Voice for Change

Elizabeth Del Buono, MD, Citizens' Climate Lobby & Munson Healthcare | **Katie Huffling, MS, RN, CNM**, Certified Nurse-Midwife and Executive Director, Alliance of Nurses for Healthy | **Cara Cook, RN, AHN-BC**, Climate Change Program Coordinator, Alliance of Nurses for Healthy Environments | **Lori Byron, MD**, Citizens' Climate Lobby & St. Vincent's Healthcare Network | **Rob Byron, MD, MPH**, Citizens' Climate Lobby & Hardin Memorial Hospital | **Lee Ballance, MD**, Group Leader, Citizens' Climate Lobby & Adjunct Faculty, Primary Care Department, Touro University School of Osteopathic Medicine

(C-4) Safe Haven in the Storm: Protecting Lives and Margins with Climate-Smart Health Care

Natalie Allan Tear, Director of US Sustainability, PricewaterhouseCoopers Advisory | **Paul Lipke**, Senior Advisor Energy and Buildings, Health Care Without Harm | **Travis English, PE, CEM, LEED-AP**, Chief Design Engineer, Director of Engineering, Kaiser Permanente

(E-4) Climate Change and Emergency Medicine: A Specialty on the Frontline

Renee N. Salas, MD, MPH, Massachusetts General Hospital/Harvard Medical School, Clinical Instructor of Emergency Medicine & Assistant Fellowship Director, Wilderness Medicine Fellowship | **Jay Lemery, MD**, Associate Professor of Emergency Medicine & Chief, Section of Wilderness and Environmental Medicine, University of Colorado School of Medicine | **Jonathan E. Slutzman, MD**, Clinical Instructor of Emergency Medicine, Massachusetts General Hospital/Harvard Medical School

(F-4) Call to Action for California: Advancing Climate-Smart Health Care

Rame Hemstreet, Vice President of Operations and Chief Sustainable Resources Officer, National Facilities Services, Kaiser Permanente

Energy Sessions

(A-5) Resiliency through Cogeneration and Microgrids

John A. Andersen, Jr., President, Greenleaf Advisors | **Aaron Walters**, Managing Partner, GreenCity Power | **Marc Thrum**, VP Business Development, Intelligent Generation | **Steve Swinson, PE**, President and Chief Executive Officer, TECO | **Pat Avery**, Vice President, Power Grid Automation, G&W Electric

(B-5) Delivering a Healthy, Energy-Frugal Facility with Real-Time Data and HVAC Retrocommissioning

Walker Calderwood, Engineer, Cx Associates | **Brett Green, PE**, Manager, Remote Operations, Medxcel Facilities Management / Ascension | **Lois Sechrist, LEED AP**, Environmental Stewardship Manager, Medxcel Facilities Management / Ascension

(C-5) Teaming Up for Impact: Aggregating Demand to Shape Large, Customer-Facing Renewable Energy Deals

Robert Biggio, Senior Vice-President Facilities and Support Services, Boston Medical Center | **Gary Farha**, President and CEO, CustomerFirst Renewables | **Iqbal Mian**, Member Engagement Manager, Practice GreenHealth

(D-3) Saving Energy, Saving Money, Improving Community Health

Travis English, PE, CEM, LEED-AP, Chief Design Engineer, Director of Engineering, Kaiser Permanente | **Scott Slotterback**, Global Green and Healthy Hospitals Policy Director, Health Care Without Harm | **Jennifer Wang**, Global Coordinator, Healthy Energy Initiative, Health Care Without Harm | **Sara Hayes**, Program Manager, Health and Environment, ACEEE

(D-4) Health Care Energy/Carbon Roadmaps for Non-geeks

Arash Guity, PE, LEED AP, BD+C CEM, Associate Principal, Sustainability & Mechanical Engineer, Mazzetti | **Breeze Glazer, LEED AP, BD+C**, Sustainable Healthcare Leader, Perkins+Will | **Brendan Collins**, CTO, Parietal LLC | **Joel Swift, Architect AIA LEED AP**, Director, Facilities Planning & Development, UC Davis Health

(D-5) Save More Together: Greater Energy Efficiency through Strategic Collaboration

Erin Richmond, Senior Manager, JDM Associates | **Kyle Tafuri**, Director of Sustainability, Hackensack-Meridian Health | **Mary Evers Statz**, Director Energy Management & Sustainability, UW Health

(E-5) Assessing Energy Efficiency and Total Cost of Ownership with Medical Diagnostic Imaging Equipment

Steve Bergstrom, Director, Office of Sustainability, Intermountain Healthcare | **Hans van der Wel**, Director Ecodesign and Sustainability, Royal Philips | **Luc Lenaerts**, Senior Director, Sustainability, Royal Philips | **Beth Eckl**, Director of Environmental Purchasing Program, Practice Greenhealth

Green Design Sessions

(A-6) Tunable LED Lighting Systems for Energy-Efficiency and Circadian Support in Health Care

Robert Davis, PhD, FIES, Senior Staff Lighting Engineer, Pacific Northwest National Laboratory | **Ed Clark, LEED AP BD+C**, Sustainable Designer, ZGF Architects | **Andrea Wilkerson, PhD**, Lighting Research Engineer, Pacific Northwest National Laboratory

(B-6) Low Energy to Net Zero: The New Normal

Breeze Glazer, LEED AP, BD+C, Sustainable Healthcare Leader, Perkins+Will | **Arash Guity, PE, LEED AP, BD+C CEM**, Associate Principal, Sustainability & Mechanical Engineer, Mazzetti+GBA | **Joel Swift, AIA, LEED AP**, Director, Facilities Planning & Development, UC Davis Health

(C-6) Reimagining Hospital Delivery in a Net Zero Economy

Duncan Griffin, AIA, LEED AP BD+C, Sustainable Principal, HDR | **Steven Bergstrom**, Director, Officer of Sustainability, Intermountain Healthcare

(D-6) Achieving 20% reductions in energy and water by 2020: A Strategic Plan by Seattle Children's Hospital

Heather Burpee, M. ARCH., Research Assistant Professor at the University of Washington Integrated Design Lab | **Colleen Groll, MSN**, Manager, Sustainability Programs, Seattle Children's Hospital

(E-6) Healing Gardens and Green Roofs: The Reinvention of Patient Care

Colin Rohlfing, AIA, LEED AP BD+C, Vice President, Director of Sustainable Development, HDR Inc. | **Vanessa Keitges**, CEO, Columbia Green Technologies | **Wolf Boltansky**, Owner's Representative, Sibley Memorial Hospital, Johns Hopkins Medicine

(F-6) Design as Medicine: The Health Benefits of Building Green

Ted Shieh, MD, FACEP, DuPage Medical Group, Emergency Physician & Green Team Chair | **Fredrick J. Curley, MD**, Director of Pulmonary & Critical Care Services, Milford Regional Medical Center | **Laura Herbert, AIA**, Senior Healthcare Architect, TRO
